FROM THE DESK OF EDITOR-IN-CHIEF

As on today, 204 students have been placed in various industries. We have still one complete semester left. Compared to last year, the placement is poor because of international financial situation affecting all the industries. Still, we would like to see that all our students are placed before they leave the college. For that, the college is taking renewed efforts and training the students to match the changed situation.

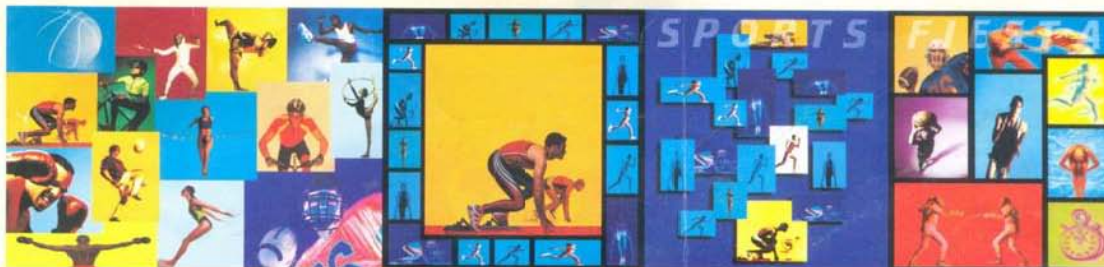

This is a special issue on "SPORTS". Anna University, Chennai and their sports board had entrusted us with part funding to organize the 9th Zone Sports Meet of Engineering Colleges for the year 2008-2009 and 2009-2010. Accordingly, on 8th to 10th September, sports meet was held in MGR Stadium at Madurai. This issue highlights the students of engineering colleges in action. The photo feast would satiate the appetite of the sports lovers in education.

As usual, I invite your suggestions to blossoms@klnc.edu. We are eager to receive them. We will publish your letters in a separate column meant for you.

Wish everyone a delightful 'Diwali'

MOU with EMC, Luxembourg

KLNCE signed an agreement with EMC, Luxembourg on 7 March 2008. According to this agreement EMC has appointed KLNCE as their Approved Academy. This program has been initiated by Prof. R.T. Sakthidaran Dean (Academic) & HOD / IT. This agreement also enables the Department of IT to deliver the EMC Courses to staff and students. We have trained four of our IT staff in "Information Storage Management (ISM)", at EMC. Further ISM (40 hours) Course is conducted to 24 students (29 from IT and 13 from CSE) from August 2008 by the following staff:

1. Prof. R.T. Sakthidaran, Dean (Academic) & HOD / IT
2. S. Illangovan, SL / IT

CONTRIBUTION BY ADVISOR

During recent visit to Singapore by the Advisor, Dr. T.K. Mahendra Babu, he conducted the KLNCE Alumni Singapore chapter meeting of the committee members on 24-sep-08. There are more than 20 members of KLNCE students working in Singapore. The chapter was inaugurated by our VP Dr. L.V. Mohan earlier.

The meeting was attended by

1. Padmanaban (94-98 BE Mech.) - President
2. S. Senthil Kumar (94-98 BE ECE)
3. Amarnath (94-98 BE Mech)
4. Jakova (95-99 Mech)
5. Dr. T.K. Mahendra Babu, Advisor, KLNCE

The students were briefed about the latest developments such as campus wide fibre optics networking, 8 Mbits / sec. internet connectivity and developments in automation areas and increased intakes and accreditation of various department in the college. Advisor requested them to visit the college and share their experience with the current students when they visit India.

Advisor Dr. T.K. Mahendra Babu along with the KLNCE Alumni Singapore chapter members.

CONTRIBUTION OF PROF. R.T. SAKTHIDARAN DEAN (ACADEMIC)

Prof. R.T. Sakthidaran, Dean (Academic) is arranged filing of passport applications by students, branchwise at District Collectorate Office. So far more than 150 students filed the applications. This has saved lot of students study time.

TRAINING AND PLACEMENT CELL

Training and Placement Cell is an integral part of the institute. Training activities are organized through out the year in an effort towards preparing the prospective students to succeed in campus recruitment drive. This process of imparting job ready talents has been carried out effectively by faculty drawn from all the engineering and non-engineering departments. This has resulted in placement of a good number of students in Multinational companies. Mr. G. Gokul Kumar, Talent Development Officer under the guidance of Prof. S.S. Manian, Training and Placement Officer is organizing the training programs
