

Academic year 2016-2017

Sl.NO	NAME	TITLE	CONFERENCE VENUE	DATE
1.	Dr. V.Kejalakshmi	Ergodic throughput and outage capacity of sensing based spectrum sharing scheme in wideband cognitive radio networks	International conference on recent trends in Engineering, Computers, information technology and applications (ICRJECJJA -2017), PSNA College of Engineering and technology.	22 march 2017
2.	S.C.Sivaprakash	Triangular folded coupled line power divider using Open stub.	4th International conference on engineering technology and science, Muthayammal Engineering Institutions, Rasipuram	30th and 31st March 2017
3.	K.R.Shanthy	Ergodic throughput and outage capacity of sensing based spectrum sharing scheme in wideband cognitive radio networks	International conference on recent trends in Engineering, Computers, information technology and applications (ICRJECJJA -2017), PSNA College of Engineering and technology.	22 march 2017
4.	R.Jeyanthi	Wireless energy harvesting cooperative communication systems using adaptive transmission protocol	International conference on recent trends in Engineering, Computers, information technology and applications (ICRJECJJA -2017), PSNA College of Engineering and technology.	22 march 2017
5.	S.R.Naresh	Preserving anonymity of location privacy using REAL Algorithm and SDN	Fourth international conference of innovations in information , Embedded and communication systems, ICIIIECS ' 17, Karpagam college of Engineering ,Coimbatore.	17 March 2017 & 18 March 2017
6.	T.R.Muthu	Design and implementation of Flexible Microstrip antenna for ISM band Applications	Fourth international conference of innovations in information , Embedded and communication systems, ICIIIECS ' 17, Karpagam college of Engineering ,Coimbatore.	17 March 2017 & 18 March 2017

7.	L.Meenakshi	A Dual band circular patch antenna for GPS and WI-FI applications	Fourth international conference on Engineering Technology and science, ICETS' 17, Muthayammal Engineering institutions, Rasipuram, Namakkal.	30 march 2017 & 31 March 2017
8.	Dr.S.Murugan	Design and implementation of Flexible Microstrip antenna for ISM band Applications	Fourth international conference of innovations in information , Embedded and communication systems, ICIECS ' 17, Karpagam college of Engineering ,Coimbatore.	17 March 2017 & 18 March 2017
