#### Keynote Speakers 1: Pr of. Yi-Kuei Lin

Department of Industrial Management, National Taiwan University of Science and Technology, Taiwan

Dr. Yi-Kuei Lin is currently a Chair Professor of Industrial Management Department, National Taiwan University of Science and Technology, Taiwan. He received a Bachelor degree in Applied Mathematics Department from National Chiao Tung University, Taiwan. He obtained his Master degree and Ph.D. degree in the Department of Industrial Engineering and Engineering Management at National Tsing Hua University, Taiwan, Republic of China. He has the honor to get the Outstanding Research Awards from Ministry of Science and Technology of Taiwan in 2008, 2010 and 2013, respectively. His research interest includes performance evaluation, stochastic network reliability, operations research, and telecommunication management. He has published over 200 papers in refereed international journals.

#### Keynote Speakers 2: Pr of. P. Ganesh Kumar

K.L.N College of Engineering, Madurai, India

Linyi Top Network Co Ltd, Linyi Shandong Province, China

Prof. P.Ganesh Kumara Professor in K.L.N College of Engineering and a Senior Technical Consultant in Linyi Top Network Co Ltd, Linyi city, Shandong Province, China. He is holding three International Patents and published 114 research papers in reputed International, national journal and conferences and published four books internationally. He is a consultant for Honeywell Technologies, Madurai, TVS Sundharam Medical devices, Chennai and Sundharam Brake Linings, Chennai in the area of Internet of Things and Industrial Automation. His current areas of interest are Internet of Things (IoT) and Wireless networks. He had (s) been a reviewer for many international, national journals and conferences including IEEE sensors journal and Elsevier journal of Electrical and Computer Engineering. He is a recognized supervisor to guide M.S (by research) & PhD by Anna University Chennai. He has successfully guided more than 40 UG, 12 PG projects and seven PhD scholars in his credit.

#### Keynote Speakers 3: Pr of. Zoran Stamenković

Dr. Stamenković has published more than 100 scientific book chapters, theses, journal papers and conference papers, and given more than 20 invited talks in the field of design and test of integrated circuits and systems. His research interests include hardware-software co-design, SOC design for wireless communications, fault-tolerant circuits and systems, and integrated circuit yield and reliability modelling.

#### Keynote Speakers 4: Pr of. Gilles Jacquemod

University of Nice Sophia Antipolis

Dr. Gilles Jacquemod graduated from ICPI (CPE) Lyon, and received MSc degree (DEA) in microelectronics from Ecole Centrale Lyon in 1986. He received the Ph.D. degree in integrated electronics from INSA Lyon, in 1989. From 1990 to 2000, he worked at LEOM, Ecole Centrale Lyon, as an Associate Professor, on analog integrated circuit design and behavioral modeling of mixed domain systems. In 2000, he joined the LEAT laboratory and the Ecole Polytechnique of Nice-Sophia Antipolis University as full professor. Since 2011, he is head of Polytech'Lab (ex EpOC research team, URE UNS 006). His primary research interests include analog integrated circuit design and behavioral modeling of mixed domain systems. He is also involved in RF design applied to wireless communication, and in advanced technology. He is author and co-author of more than 250 journal and conference papers, and holds 4 patents. IEEE member, he has organized a lot of international conferences.
