## ABOUT THE FDP

The FDP will provide sufficient knowledge to handle the course of Control Systems. The objective of the FDP is to achieve the course objectives such as

- To impart knowledge on the transfer function model and state model.
- To enrich the knowledge in time and frequency domain analysis of control systems.
- To provide hands on training on MATLAB simulation of control systems

## TARGET AUDIENCE

Faculty members of Engineering Colleges/ Universities

## REGISTRATION FEE

**Registration Fee per participant: Rs. 500/-**  
The fee includes the course material, tea and lunch. Participants, who would like to commute daily from Madurai, can avail the bus transport of K.L.N.C.E. The fee should be sent by **Demand Draft** drawn in favour of "**The Principal, K. L. N. College of Engineering**" payable at Madurai. The fee does not cover accommodation and No TA/DA will be provided to the participants. However, on request and depending on the availability, accommodation could be provided in the student hostel at moderate charges.
