

## **ABOUT THE INSTITUTION**

K.L.N. College of Engineering is the first self-financing co-educational Engineering College in Madurai, started in 1994. This college is sponsored by a committee of eminent industrialists and academicians led by a great philanthropist and industrialist Shri. K.L.N. Krishnan.

This college is an ISO 9001: 2008 certified institution. The college campus is situated in a quiet environment about 11 km from Madurai city.

## **ABOUT QUALITY CIRCLE – ADVANCED RESEARCH AND DEVELOPMENT (QC-ARD)**

The QC-ARD of K.L.N. College of Engineering was established during 2013 to cater to the research needs of our institution. The main focus of QC-ARD is to provide financial, technical and administrative support for the research activities of faculty members.

Through QC-ARD, the Management provides financial support in the form of venture capital to the faculty members to expose their innovations in the form of research projects. This scheme further motivates the researchers to forge their research into research proposals to external funding agencies. Innovative, multidisciplinary and socio-economic research projects are encouraged through this scheme. The main focus of the Quality Circle is to motivate research projects, journal publications and sponsored research.

## **SCOPE OF THE PROGRAMME**

The workshop is well structured, focused and result oriented. The workshop focuses on the ‘Overview on Intellectual Property Rights (IPRs)’ and ‘How to convert the research and project works into Patents’. This training will bring a positive transformation in the faculty member’s attitude towards their project and research works and get them more focused as well as result oriented, so that the organizational goals can be achieved at ease.
