Registration Fee:
Industrialist : Rs. 900/-
Academicians : Rs. 750/-
UG/PG Students : Rs. 600/-

The registration fee includes the registration kit, course material, snacks and lunch. The fees may be sent in the form of Demand Draft drawn in favor of “The Principal, K.L.N. College of Engineering” payable at Madurai. Spot registration is also permitted subject to availability. Participants, who would like to commute daily from Madurai, can avail the bus transport of K.L.N.C.E.

The fee does not cover accommodation and No TA/DA will be provided to the participants. However, on request and depending on the availability, accommodation could be provided in the student hostel at moderate charges.

Workshop For:

This Workshop is open to faculty, UG & PG Students, research scholars of Electrical and Electronics Engineering disciplines, Engineers from Industries and other Organizations.

Resource Persons
Eminent Speakers from IITs, IISc, NITs and TCE Madurai

Important Dates:
Last date for the receipt of Applications : 28.04.2011
Intimation of Acceptance : 29.04.2011

Coordinators
Dr. S. Kalyani, ASP/EEE
A. Rathina Grace Monica, AP(Sr.Gr) / EEE

"Research Issues In Power System Engineering"

09-05-2011 & 10-05-2011

Convener
Prof. S. M. Kannan, HOD/EEE

Coordinators
Dr. S. Kalyani, ASP/EEE
A. Rathina Grace Monica, AP(Sr.Gr) / EEE
K.L.N.C.E
**About the Institution:**

K.L.N. College of Engineering is the first self-financing co-educational Engineering College in Madurai started in the year 1994. This college is sponsored by a committee of eminent industrialists and academicians led by a great philanthropist Shri K.L.N. Krishnan. This college has been approved by All India Council for Technical Education, New Delhi and affiliated to Anna University of Technology Madurai. The college conducts 7 U.G courses and 5 P.G courses in engineering and computer applications. This college is an ISO 9001:2008 certified institution. This college campus is situated in a quiet environment about 11 Km from Madurai city.

**About the Workshop:**

In a scenario where India tries to accelerate its development process and cope with increasing load demand, power system planning, design, operation and control play a key role. A national movement of research perspective in power system engineering can significantly improve the reliability and security level in coming years. It is imperative that all-out efforts are made to realize this potential.

**Scope and Objectives:**

This programme will focus on research issues in various fields of power system engineering such as power system optimization, power system deregulation, power system security and stability aspects.

**REGISTRATION FORM**

TWO DAY WORKSHOP ON
RESEARCH ISSUES IN POWER SYSTEM ENGINEERING

9th & 10th May 2011

1. Name : 
2. Designation : 
3. Qualification : 
4. Institute Name: 
5 Address : 
6. Phone No : 
7. E-mail ID : 
8. Accommodation required: YES/NO 
9. Demand Draft Particulars:

   DD No : Date :
   Bank Name : 
   Bank Branch / City : 

   Date:
   Signature of the Applicant

   Signature of the Sponsoring Authority
