

MANUSH '14

HUMAN RESOURCE MEET

K.L.N. College of Engineering is the first self-financing Co-educational Engineering College in Madurai, started in 1994 by Munificence of Philanthropist and well wishers in Sourashtra Community which is a linguistic minority in Tamilnadu. This college is sponsored by the committee of eminent industrialists and academicians led by enthusiastic, educationalist and industrialist (Late) Thiru K.L.N. Krishnan. This college has the approval of All India Council for Technical Education, New Delhi and is affiliated to Anna University, Chennai.

The objective of the IIP Cell is to reduce the gap between industry expectations (practice) and academic offerings (theory) by direct involvement of industry to attain a symbiosis. The educational reform of linking Technical Education with Industry has been amongst the important educational innovations undertaken in this country. Interaction between Institute and the Industry is now widely recognized as an essential requirement to train and develop the right kind of technical manpower necessary to sustain and promote industrial and economic growth.

Training and Placement Cell is actively functioning with a team consists of TPO, Dept. co-ordinators and student representatives. This division organizes career development programme to develop technical skills and personality development for the students. This division acts as a bridge between leading organizations and college which in turn produces appreciable outcome in placements. Leading industries like TCS, Infosys, CTS, Wipro, Aricent, Wheels India, TVS, Renault Nissan, etc., recruit our students every year.

Preplacement talk by WIPRO
