Dr. J. RAJESH BABU, President, Alumni Association, K.L.N.C.E, welcomed the members present. He explained about the various Alumni Activities. He informed that the First Batch (1994-1998) of KLNCE students celebrated Silver Jubilee, nearly 75 alumni of MECH, EEE and ECE departments participated in the silver jubilee. Second batch students (1995-1999) are also planning to celebrate Silver Jubilee in the next year 2024. He said that alumni involvement is essential to bridge the gap between Industry and Institution. He briefed Vision and Mission of the Institute.

Dr. S. PARTHASARATHY, Secretary, Alumni Association, K.L.N.C.E, presented the Alumni Report for the academic year (2022-2023). Nearly 93 Alumni visited our college KLNCE during last academic year (2022-2023). He asked alumni to visit our college frequently. Alumni are actively involving in various activities like conducting guest lectures, expert talk, App development, conducting online/offline programs. Alumni are also helping the students to under-go in-plant training. They are also financially supporting the economically poor students in paying tuition fees, bus fees etc., Alumni were invited as guest of honor for EEE Symposium. With the support of alumni, two Industrial Training centers are established in KLNIRP. Four MOU were signed with Alumni. Two start-up companies are established in KLNIRP. Alumni are supporting the various research activities which are being held in KLNCE Innovation Park. 3 Research Activities are also conducted through Alumni. Proposals were submitted to MSME for financial support. He also said that 35 students are placed directly in placement because of Alumni. Zoho, Chennai recruited 5 MBA Students, 5 Internship students for project. The 2002 Batch Alumni provided placement opportunity for 7 UG

Students. Mr. Kannan offered good packages for students. Mr. Sridhar offered 2 students in placement. Mr. Vinoth offered one IT Student in placement. Mr. Pon kumar placed 4 students. They also rendered their help in mega malai project.

Er. K.S.D. SIVA PRASAD – Treasurer, K.L.N.C.E, delivered felicitation address. He suggested to conduct additional Alumni meeting during Pongal holidays in the month of January 2024. He told to allocate a full day to celebrate Alumni meet. Alumni meet is a forum to show the value and to share the experience, he added.

Smt. S. P. GEETHA BHARATHI – EC MEMBER, KLNCE, delivered felicitation address. She asked Alumni to have bond with KLNCE and all the students and alumni of KLNCE are brothers/sisters. Madam asked them to visit KLNCE frequently and to render financial support to students. She also asked the alumni to help students in getting placement.

Dr. A. V. Ramprasad – Principal, KLNCE, welcomed the management members, HOD/Directors, Faculty members, Alumni Association members and Alumni. He added the following points: This meeting will bridge the gap between Alumni and present students. He insisted the students graduated from KLNCE to be proud and to introduce in common forum before the audience whenever they get chance. In next Alumni meeting, Alumni Report will be printed as a booklet and will be distributed to Alumni. The details of Alumni involvement along with their names are printed in the bulletin. For this, Alumni should involve in many activities for KLNCE Students. He told that 2nd Batch KLNCE students (1995-1999) are planning to conduct Silver Jubilee in next year 2024.

He informed that NBA expert team visited our college in the month of July 2023, and he thanked Alumni for giving positive feedback about our college during the interaction with the NBA expert team. He also informed that we will apply for reaccreditation in the year 2025. He asked the Alumni to render their support during that time also. He asked them to help the students in getting placements. He suggested alumni to extend their support to financially help the students. He also insisted them to give suggestions and feedbacks to improve the curriculum and syllabus of the programmes, according to the need of current trends.

Dr. S. Miruna Joe, Professor and Head, CSE Department, explained about Kubera Kolam and Rangoli project. This project includes mathematical steps for Cryptography. She also added that CSE, IT / Cyber Security department students are actively involving in this research projects. It also applied for Stenography involving in block chain technology and Hash function.

INTERACTION WITH ALUMNI
