Madurai.

One day workshop

on

Engine Management System

13th March 2010

Coordinators

Dr. S.Sundarapandian
Mr.N.Rajkumar

Conducted by

Department of Automobile Engineering

K.L.N.College of Engineering,
(An ISO 9001:2008 Certified Institution)

Pottapalayam-630 611,
Sivagangai Dist.
(11km from Madurai city)
Tamil Nadu.

ABOUT THE INSTITUTE

K.L.N. College of Engineering is the first self-financing co-educational engineering college in Madurai, started in the year 1994 by munificence of Philanthropist and well wishers in Sourashtra a community, which is a linguistic Minority in Tamilnadu. This college is sponsored by a committee of eminent industrialist and academicians led by enthusiastic, educationalist and industrialist (Amarar) Thiru. K.L.N.Krishnan.

This college has been approved by All India Council for Technical Education, New Delhi and is affiliated to Anna University, Thiruchirappalli. The institution offers seven under graduate courses and five post graduate courses.

ABOUT THE DEPARTMENT

The Automobile Engineering Department was started in the year 1999. The department is well equipped with qualified and experienced faculty members with established laboratories to impart good practical training to the students. The Department is also running SAEINDIA collegiate club through which various events are organized for SAE student members.

ABOUT THE WORKSHOP

Engine management system is controlling the engine operation and improve the engine performance, like efficiency, power, fuel consumption, Control exhaust emission, and reduce Engine maintenance expenses. EMS includes electronic devices also.

EMS components are

Electronic Control Module
Fuel delivery system
Ignition system
Sensors

Hence this workshop will be highly useful for students and faculty members who are doing research in these fields.
