One Day Seminar on  
“Grid Management in Power System”

(GMPS'12)

7<sup>th</sup> September 2012

*Organized by*

**Department of Electrical and Electronics  
Engineering**

***K.L.N.College of Engineering***

(An ISO 9001:2008 Certified Institution)

**Pottapalayam – 630 611, Sivagangai District, Tamilnadu**

(Approved by AICTE, New Delhi & Affiliated to Anna University)

**Website: [www. klnce.edu](http://www.klnce.edu)**

## **Preamble**

K.L.N.College of Engineering is the first self financing Co-educational Engineering College in Madurai started in the year 1994 and is sponsored by a committee of eminent industrialists and academicians led by a great philanthropist Shri.K.L.N.Krishnan. This college has been approved by AICTE, New Delhi and affiliated to Anna University. This college is an ISO 9001:2008 certified institutions and offers seven U.G. programmes and five P.G. Programmes. This college campus situated in a calm environment about 11 KM from Madurai city. This college has excellent infra- structure, well equipped laboratories, library with online subscriptions and other general facilities.

## **Department Profile**

The Department of Electrical and Electronics Engineering was started in the year 1994. It runs a Post Graduate course in Power System Engineering besides the Under Graduate Program in Electrical and Electronics Engineering. The department has exceptional infra-structure facility with Laboratories and IEEE Library. Further it has excellent computing facilities with the latest softwares.

## **About the Seminar**

POWERGRID is committed to the goal of sustainable development and conservation of nature and natural resources, through continually improving its management system, accessing specialist knowledge for management of significant environmental and social issues. The Grid management offers Great scope and Challenges in the field of Power System and it can be accomplished by incorporating various technologies. It is the need of the hour to bridge the gap between technological development and educational society. Especially Grid Management opens the windows for future development in the field of Power System.

## **Registration Fee**

Faculty members from colleges/Industries : ₹ 500/-  
Research Scholars/Students : ₹ 300/-

The fees should be sent by Demand Draft drawn in favor of '**The Principal, K.L.N. college of Engineering**' payable at Madurai. The fee includes the Seminar kit, Lunch and Refreshments.
