ABOUT THE COLLEGE

K.L.N.College of Engineering is the first self financing Co-educational Engineering Institution in Madurai incepted in 1994 by Philanthropist & well wishers in Sourashtra community which is a Linguistic minority in Tamilnadu. Our college is sponsored by a committee of eminent Industrialist & Academicians led by enthusiastic, and Industrialist Shri. K.L.N. Krishnan. Our college has been approved by All India Council for Technical Education, New Delhi, and it is affiliated to Anna University, Chennai. The college is located in the south eastern outskirts of Madurai and is 11 km away from Madurai City. The college runs Seven Undergraduate engineering programs and Six Postgraduate programs. Our college is a recognized Ph.D Research Centre for MCA, MBA, Mechanical Engineering, Electrical Engineering & Electronics and Communication Departments. The College has excellent infrastructure with College Automation and 10 Mbps Internet bandwidth.

ABOUT THE DEPARTMENT

The Research & Development unit of our college is established during 2010-11 with a group of members from various disciplines with an objective of promoting & enhancing the research & development activities of the Faculty, Research Scholars & Budding Engineers. The R&D Unit has been specifically set up to provide administrative and managerial support for the operation of sponsored research. Consultancy and other related R&D activities of the Institute. The main functions of the R&D Unit include Administrative Support for:

- ❖ Promotion of Institute-Industry interaction by deputing the students and staff members to various core industries.
- ❖ Obtaining the Sponsored Research Projects.
- ❖ Providing Technical / Managerial training to the Government / quasi government staff.
- ❖ Consultancy Jobs by the Department.
- ❖ Collaboration with Industries (MoU) or Institutions in India and Abroad.

- ❖ Applying and promoting the MHRD funded Projects.
- ❖ Sponsored Fellowships/Assistantship.
- ❖ Patents, Know-how and Transfer of Technology.
- ❖ Technology Development Projects / initiation Awards for Students. (TDP-IAS).
- ❖ Selective Scholarships to Institute Research scholars.

As a part of above objective and with the auspicious encouragement from the Management and Principal, this unit has received a fund of about Rs. 75 Lakhs under various sponsor schemes & thro funding agencies and bring laurel to our college. The team also performs consultancy services to the leading Industries & small scale Inudtries such as BSNL, Madura Coats, Aruna alloys etc. The RDU regularly conducts seminars, workshops, so as to enhance the skills of the Faculty, Research scholars & Students.

PREAMBLE

The Research publications in high impact referred Journal is the need of the hour for almost all Research scholars. This seminar paved way to bridge the gap between the faculty & scholars How to write a good manuscript of their findings of research to get published in a referred Journal with good impact factors. This seminar creates awareness for the research scholar about various research issues.
