ABOUT THE INSTITUTION

K.L.N College of Engineering is the first self-financing Co-educational Engineering College in Madurai, started in 1994. This college is sponsored by the committee of eminent industrialist and academicians led by enthusiastic educationalist and industrialist AmaraThiru, K.L.N. Krishnan.

This college is an ISO 9001:2008 certified institution and affiliated to Anna University Chennai. This College offers Seven Undergraduate Programmes, Five Postgraduate Programmes and Doctoral Programmes in Engineering and Sciences.

The college is situated in a quiet environment about 11 km from Madurai city on Madurai - Nedunkulam road.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering is well equipped with qualified and experienced faculty members with research and industrial background. The Department offers B.E Degree course in Mechanical Engineering, M.E Degree course in CAD/CAM and to Ph.D. in Mechanical Engineering.

The Department has also been accredited by National Board of Accreditation (NBA), New Delhi. The department is recognised by Anna University as a Research Centre for offering Ph.D. programmes in Mechanical Engineering.

Two staff members of the Department are recognised as supervisors for guiding the scholars leading to Ph.D./ MS (By research) programme.

SCOPE OF THE WORKSHOP

In the recent days the accidents are the major issue in every industry. The development of any technology is complete only if the technology is free from hazards. The knowledge of the hazards and prevention of accidents are helpful in every corner of world and also in every professional. It is in this context the government of India has also promulgated the required legislation on safety aspect.

It is more relevant that the organisations concerned with engineering and technology to embark more on developing skilled force on Industrial Safety Management and R & D activities pertaining to safety management which will ultimately lead to safety of human kind.
